C.WO. 60535/47 – From the S.O., District Board, South Kanara, No. 12671-47-A4 dated 18.7.47.

The S.O., District Board, South Kanara, reports that rent is collected from the L.F. Medical Officers at the rate of 6 percent of the capital cost of the building or 10 percent of the salary whichever is less as per provisions of the F.R. for the quarters provided to them by the District Board, He states that the percentage is worked out on the actual pay drawn by them without taking into account either dearness or war allowance paid to them. The District Inspector of L.F. Accounts (it appears) has pointed out in his inspection notes that dearness allowance should also be included for purposes of calculation of rent at 10 percent. With reference to F.R. 45-A the amount of rent taken from any officer shall not exceed 10 percent of his monthly emoluments. It is presumed that dearness allowance is only a compensatory should not be taken into account for purpose of calculation of rent as it is only a compensatory allowance.

P.W.D and Finance may be requested to advise what procedure is followed in the case of Govt. servants who are given Govt. Quarters to reside in
